NCS Global is a trusted provider of on-demand accounting, taxation, bookkeeping, and financial outsourcing services for **500+ CPAs**, accountants, financial services providers and corporations across Australia, Canada, and the US. Backed by **Navkar Institute's** legacy of **30 years** of excellence and a team of **400+ professionals—80%** of whom are CPA or CA certified—we deliver tailored solutions that drive efficiency and maximize your financial potential.

We go beyond traditional services, forging strategic partnerships with a client-centric approach, robust data security, and advanced technology. With NCS Global, you gain a dedicated ally committed to your business growth, compliance, and peace of mind.

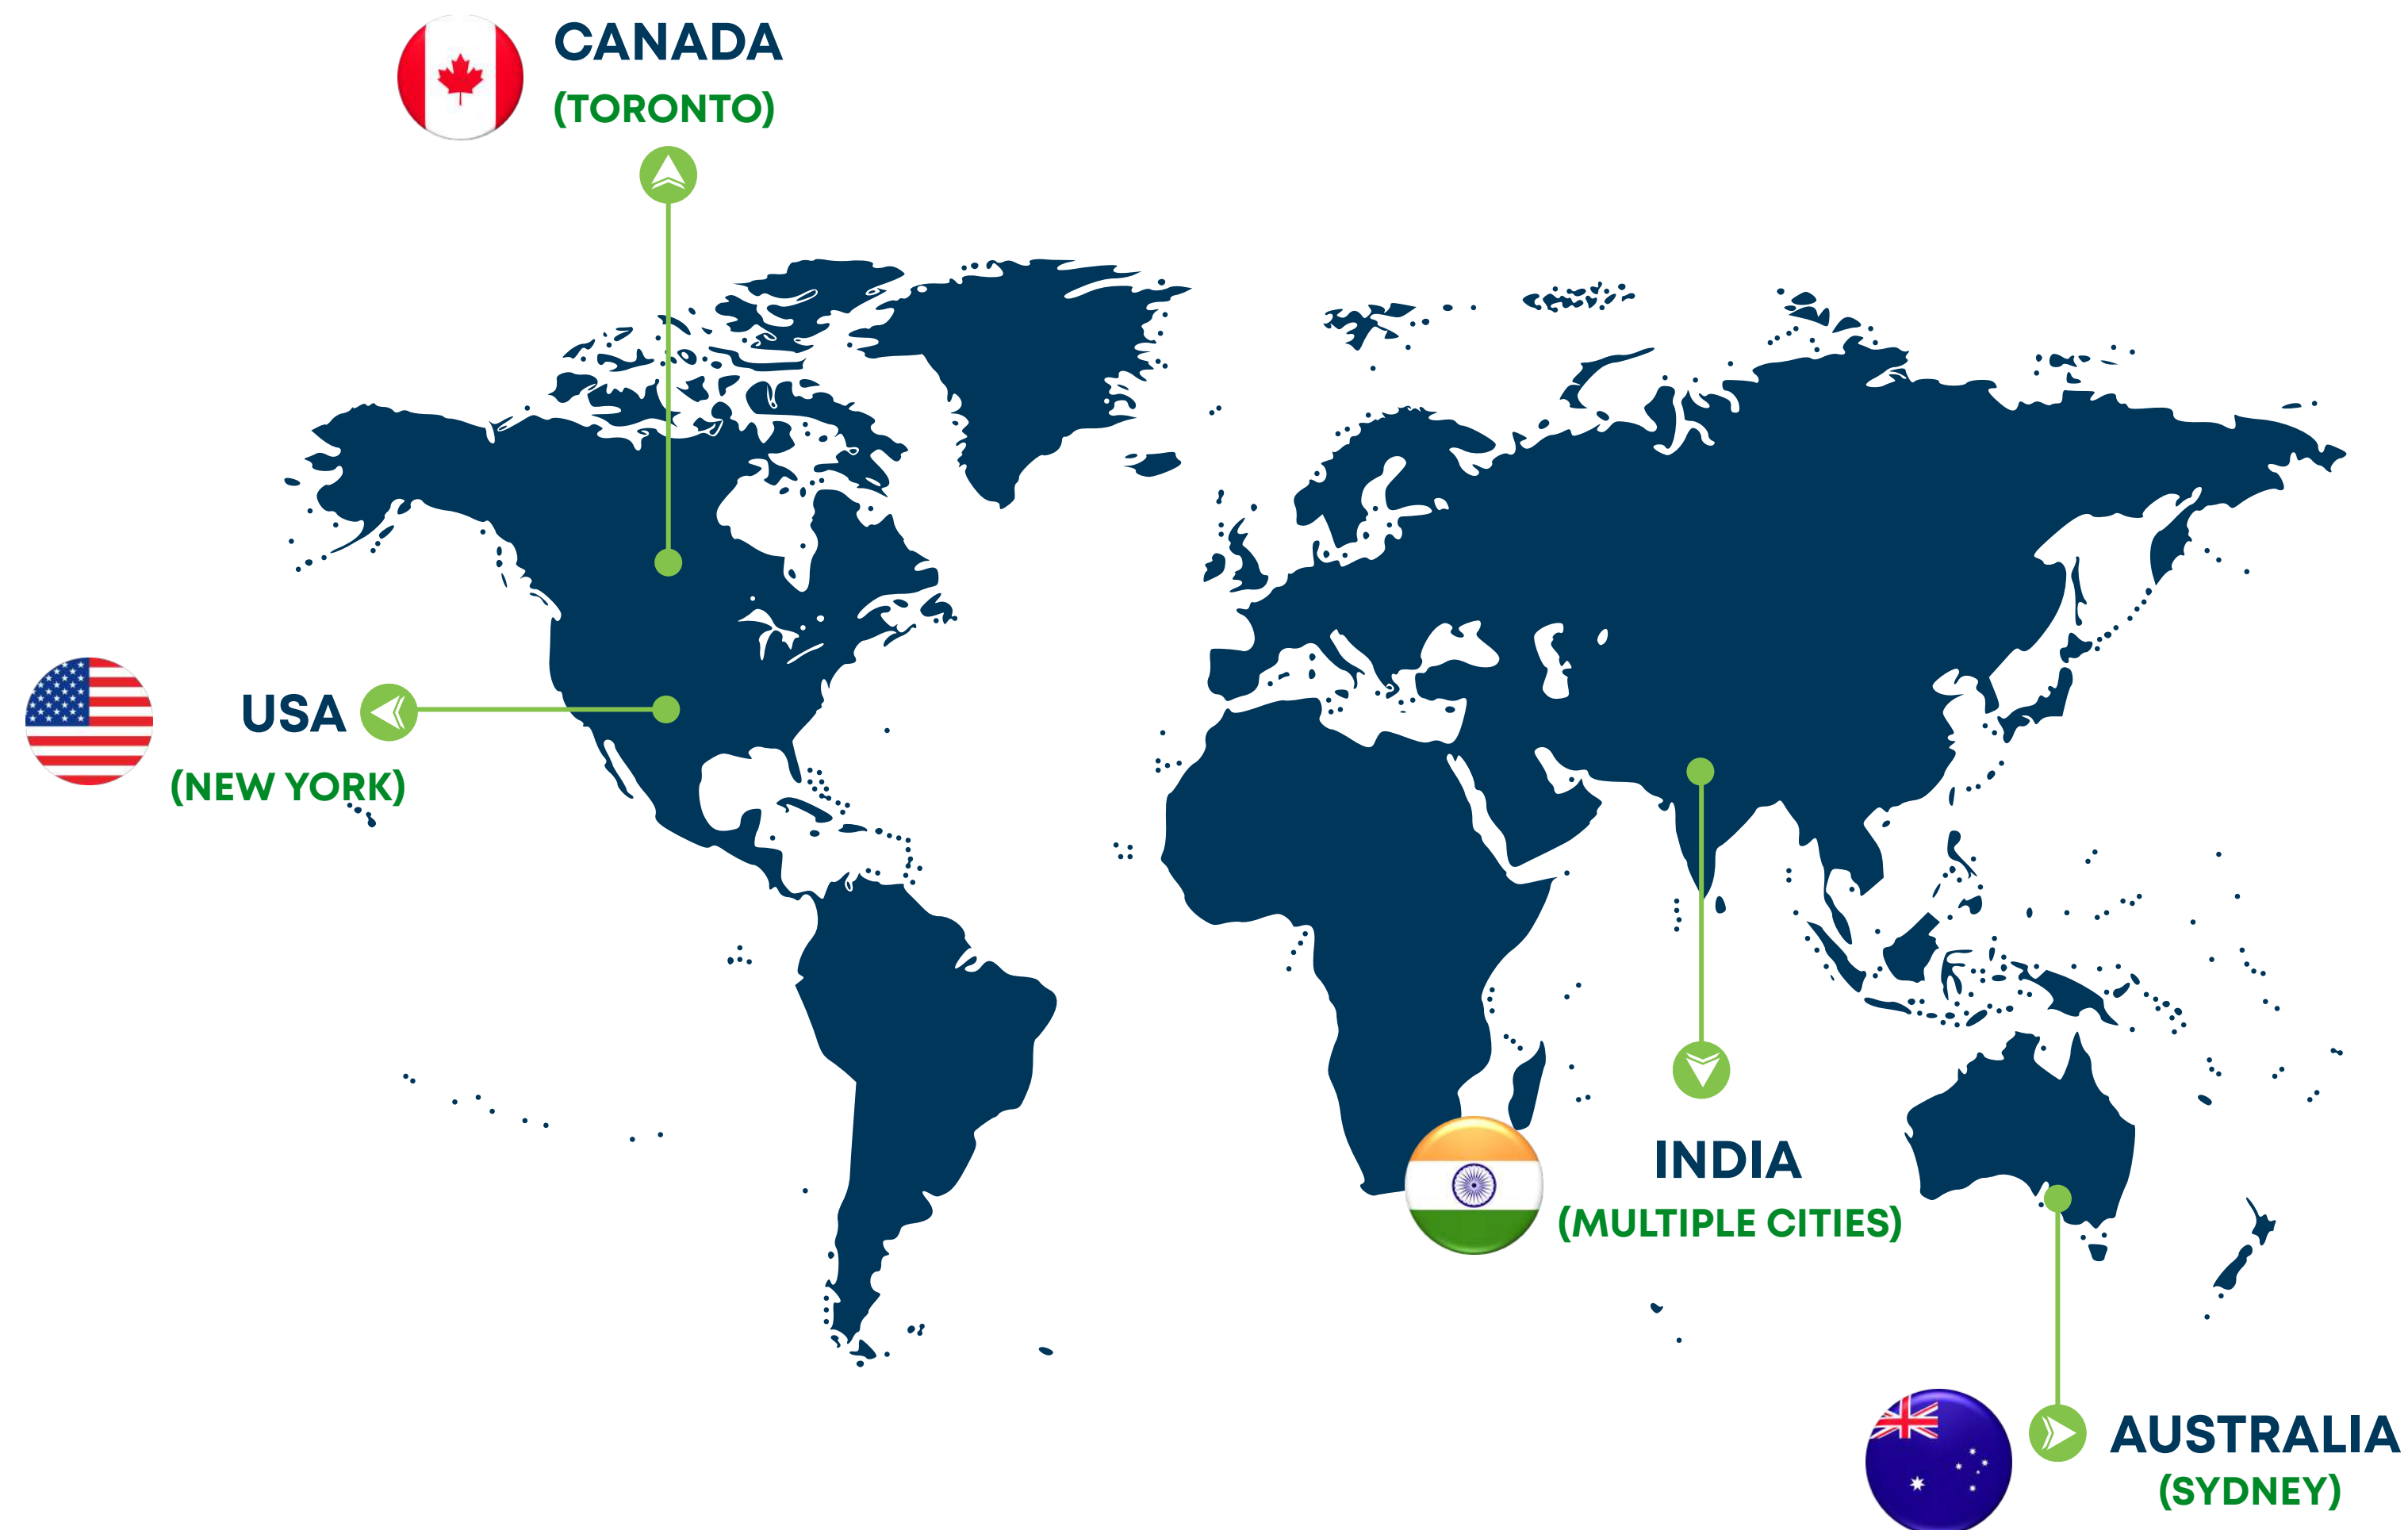

OUR MISSION:

It is our earnest endeavor to apply the best business practices, implement innovations quickly, put insight into action, provide perspectives on value creation, and develop a truly congenial workforce by providing the most conducive environment.

OUR AIM:

Our aim has always been to understand what is most important to the client and to help them look for ways to create sustainable value addition and satisfaction in a truly professional environment.

Local Expertise, Global Reach:

What Sets Our Global Delivery Apart?

- **Time Zone Advantage:** Work never stops – our teams ensure real-time support across continents.
- **Multilingual Support:** Communication in English, Hindi, and regional languages for seamless collaboration.
- **Cultural Understanding:** Deep knowledge of each market's business practices and regulatory requirements.

The NCS Advantage

With **NCS Global**, you gain a true competitive edge:

- ✓ Lower costs and higher efficiency through advanced outsourcing models
- ✓ Access to the latest technologies and industry best practices
- ✓ Scalability to support your growth, whether you're a small business or a large enterprise
- ✓ Deep understanding of the industry standards and regulatory environment
- ✓ Focused on building enduring, trust-based client relationships

Our team's experience and dedication ensure your business stays ahead in a dynamic financial landscape.

Why Choose Us

Choosing **NCS Global** means partnering with a team that understands your business needs and is dedicated to helping you manage your resources efficiently.

Our key advantages include:

- Significant cost savings—reduce operational expenses by over 50% compared to in-house teams
- Access to highly qualified professionals with expertise in bookkeeping, payroll, compliance, and more
- Flexible staffing models to scale services as your business grows
- Enhanced focus on your core business activities while we handle the rest
- Improved risk management by sharing operational risks with experienced specialists

OUR PROCESS

01

INITIAL CONSULTATION & NEEDS ASSESSMENT

Timeframe: 1–2 Business Days

We start by learning about your business goals and accounting needs. Our team then creates a solution just for you and walks you through uploading documents to your client portal.

02

FREE TRIAL & CUSTOM PROPOSAL

Timeframe: 5–7 Business Days

Experience our service risk-free! We provide a free trial based on your requirements, allowing you to evaluate our quality before committing. You'll receive a detailed proposal outlining deliverables, timelines, and pricing.

03

ONBOARDING & SECURE DATA TRANSFER

Timeframe: 1–2 Business Days

Once you approve, we swiftly onboard your dedicated team. You'll upload your documents on client portals or our secure FTP, ensuring your data is protected at every stage.

04

PROCESSING & REAL-TIME COLLABORATION

Timeframe: Ongoing

Our skilled professionals get to work—handling bookkeeping, payroll, tax prep, and more. We maintain open communication, requesting clarifications as needed and updating you on progress.

05

REVIEW, REPORTING & FINAL DELIVERY

Timeframe: 1–2 Business Days

We send you comprehensive reports and results for your review. Once you approve, we deliver all finalized documents through your secure client portal, ensuring accuracy and compliance.

Full Time Employee:

Our virtual accounting service provides businesses with a dedicated full-time employee. We carefully select and train highly qualified candidates to ensure they meet the highest standards of professionalism and expertise.

INFRASTRUCTURE

Custom Workstations & Security:

Workstations are tailored to client needs, protected by enterprise antivirus, with staff having limited internet access.

High-Speed Connectivity:

NCS uses fibre-optic internet with a dedicated ring for ISP redundancy.

Modern Communication Tools:

VOIP, video, and audio systems enable seamless communication with global clients.

Training Facilities:

Training rooms feature multimedia setups, online conferencing, and networked workstations.

NCS Global safeguards sensitive data with robust encryption, stringent access controls, and regular audits. We adhere to international security standards and invest in ongoing staff training to maintain the highest level of data protection.

AICPA - SOC 2

At NCS Global, we prioritise your data security. Our SOC 2 compliance ensures your information is handled with care, maintaining the highest standards in confidentiality, privacy, and trust.

Our organisation is certified with ISO 9001:2015 for quality management and ISO/IEC 27001:2022 for information security, ensuring high standards and continuous improvement in all our services.

Regular security audits and staff compliance training, ensuring that our practices meet the latest industry standards and regulatory requirements

24/7 CCTV surveillance and restricted office access

Multi-factor authentication for all systems

Encrypted data storage and secure file transfers

Internet and USB port restrictions on workstations.
